

Non Powered HDMI extender works @ > 30 Mtrs 1080P

Part Number HDMI – ADP

Our Pigtail Wired Part Number HDMI – ADP Extender by CAT-5e/6 uses two pieces of CAT-5e/6 cables to extend the HDTV display up to 30 meters for 1080p. It not only breaks the limitation of the HDMI cable transmission length, but also CAT-5e/6 has more flexibility and convenience in cable construction. No Power Required!

Both the sender and receiver are equipped with a fixed HDMI cable that allows consumers to reduce the cost of an extra HDMI cable. It is capable of supporting DVI (digital visual interface) equipment when used with an HDMI to DVI Adapter, providing greater flexibility and options when integrating several home theater components. This product offers solutions for residential consumers: HDTV retail and show sites.

Uses: HDTV, MySky HDi, Freeview HD, PS3, XBox 360, Bluray and upscaling DVD players.

Easy to install where the traditional HDMI cable maybe too tight for some in wall installations.

HDMI™
HIGH DEFINITION MULTIMEDIA INTERFACE

NEW PRODUCTS

This HDMI Extender has many features. Among those features you will find:

1. One pair as a full functional module, no need of setting.
2. CAT-5e/6 cable can substitute HDMI cable to achieve long distance transmission.
3. Follow the standard of IEEE-568B.
4. Transmission distance can be up to 30 meters for 1080p using CAT-6 Cable.
5. Compact size.
6. Signaling rates up to 1.65Gbps in support of 1080P display.
7. HDCP compliant.

SPECIFICATIONS

Signal Inputs/Output	Input Video Signal: 0.5 -1.0 volts p-p, Input DDC Signal: 5 volts p-p (TTL)
Maximum Single Link Range	1920X1200, 1080P
Output Video	HDMI 1.2a
Video format supported	DTV/HDTV: 1080P/1080i/720P/576P/480P/576i/480i
Transmission distance	CAT-6 cable - 30M for 1080p
Resolutions(HDTV)	Interlaced(50&60Hz): 480i,576i,1080i, Progressive(50&60Hz) : 480p,576p,720p,1080p
Power Consumption	1Watts (max.)
Warranty	Limited Warranty 1 Year Parts and Labor
Operating Temperature	0 to +70°C
Operating Humidity	10% to 85 % RH (no condensation)
Storage Temperature	-10°C to +80°C
Storage Humidity	5% to 95 % RH (no condensation)
Power Requirement	External Power Supply - No power needed
Regulatory Approvals	Converter Unit - FCC,CE,UL, Power Supply - UL,CE,FCC
Accessories Adapter	AC Power Adapter - US standard, UK standard and so on
User Manual	

Important notice-Wired does not guarantee compatibility with upcoming technology!
